## The harvest is in!

It's that time of the year again. After working so hard for these last couple of weeks it is now almost time to forget all our worries for a little while. The preparations for the feast are in full swing. This year the feast will be held in Gorgory. As Always there will be plenty of Gorgory and food. After dinner we will party into the night. As you all know the feast starts on the 20th of October and ends on the 23rd of October.
